Filed : **March 5, 2002**

REMARKS

Claims 1-6 and 19-21 have been cancelled. Claims 22 and 29-30 have been amended.

Claims 7-20 and 22-30 are now pending in this application. Support for the amendments is found in the existing claims and the specification as discussed below. Accordingly, the amendments do not constitute the addition of new matter. Applicant respectfully requests the entry of the amendments and reconsideration of the application in view of the amendments and the following remarks.

Allowable subject matter

Applicants' representative gratefully acknowledges the Examiner's indication of allowable subject matter for claims 7-18 and 23-30. The Examiner also indicated that claim 22 could be allowed if rewritten in independent form including the limitations of the base claim and intervening claims. Claim 22 has been so amended. In addition, claims 29 and 30 have been amended so that they do not depend from canceled claims 20 and 21. The remaining claims have been canceled. Consequently, Applicants believe that the application is now in condition for allowance. Applicants will file a continuing application to pursue the subject matter of the canceled claims.
